The Village Voice

***This will be the last meeting before the November 5<sup>th</sup> 2024 Election!***

We have invited several candidates to come and talk to us about their races and why they decided to run. By our publishing deadline only one has confirmed they will be there. However, that one candidate can talk about the entire ballot and why it is important to vote all the way down to the very last race. There are also a couple of bond elections and we will talk about the pros and cons of each.

We will have sample ballots for Windsor Village residents at the meeting. You will be able to write notes on them and take them with you into the voting booth. If you have been too busy to do your usual thorough research, you need to come to this meeting. You will walk out with a cheat sheet or links to more information.

***Hope to see you October 8<sup>th</sup> at 7:00 p.m.!***

***¡Esta será la última reunión antes de las elecciones del 5 de noviembre de 2024!***

Hemos invitado a varios candidatos para que vengan y nos hablen sobre sus carreras y por qué decidieron postularse. Antes de nuestra fecha límite de publicación, solo uno ha confirmado que estará allí. Sin embargo, ese candidato puede hablar de toda la boleta y de por qué es importante votar hasta la última contienda. También hay un par de elecciones de bonos y hablaremos de los pros y los contras de cada una.

Tendremos boletas de muestra para los residentes de Windsor Village en la reunión. Podrás escribir notas en ellos y llevarlos contigo a la cabina de votación. Si ha estado demasiado ocupado para hacer su investigación exhaustiva habitual, debe asistir a esta reunión. Saldrá con una hoja de trucos o enlaces a más información.

***¡Esperamos verte el 8 de octubre a las 7:00 p.m.!***

***Alone we can do so little,  
Together we can do so much.***
