Guest Speaker: Mr. Andrew McVeigh – President of Texans for Fiscal Responsibility (Texas Taxpayer's Watch Dog). It is an independent educational non-profit organization seeking to illuminate the actions of government, educate and equip citizens to effectively advocate for pro-taxpayer reforms and hold lawmakers accountable for their actions. Mr. McVeigh shared important information with the attendees.

**Topic:**

What is the Texas Prosperity Plan? (1) Cut Government Spending (2) Stop Hostile Foreign Property Ownership (3) Ban Taxpayer-Funded Lobbying and (4) Eliminate Property Taxes.

In Texas, there's a problem no one is talking about. The size and scope of government is growing beyond the citizens that it is intended to serve, spending and taxes are sky rocking, and the cost of living keeps going up!

He ended with Secure Texas' Future and left handouts for the attendees.
