Lillie Lacy made a motion to accept the report, Glenda Sandling seconded, motion passed, unopposed.

**Old Business:**

The attendees named some of the former board members and volunteers to recognize at the celebration.

**New Business:**

Proposition update by Gerry Vander-Lyn

(2)

Gerry stated that we had seventeen propositions to vote on. In the November newsletter, there was an insert listing all the propositions to help the voters decide which ones to select. Also, there are fourteen candidates running for District 18. She named everyone running for that office and it is a special election. She had a sample ballot printed out. You can take your notes known as a cheat sheet in the voting booth, but you can't leave it. There is an AT Large position on the ballot, it was held by Plummer who resigned to run for County Judge. A candidate by the name of Chris Wright said Hiram Clarke & South Post Oak areas were not getting the attention it should.

#### Community – 2026 HS Seniors

The civic club has not received any responses from seniors for the scholarship fund. We will continue to post information in the newsletter.

#### Celebration: Veterans, Former Board of Directors & Volunteers

The celebration will be held Saturday, November 8th, 11AM – 1PM at the Windsor Village Community Center.

#### **Comments:**

- 1) An attendee complained about trash on the streets. We need to select a Saturday and clean up the neighborhood.
- 2) We will request a speed limit sign for the Croquet Ln & Grapevine entrance.
- 3) A resident fills out an alert slip when she goes out of town for the police department. They are supposed to watch her house, but they never come by. She doesn't see them on her doorbell camera.
- 4) Checking with a security company for rates and time frame monitoring for the community.

#### **Concerns:**

- 1) Updated attendees on the inoperable vehicles parked in the driveways.
- 2) Prohibited Yard Parking is not being investigated by the police.
- 3) There were complaints about the motorists not stopping for the 4-way STOP sign at Croquet Ln & Heatherbrook.
- 4) Cars double parked on Heatherbrook between Delbury & Croquet Ln causing a traffic jam.

(3)
