Old Business:
The community center is closed to the public until August 10th. The last day for youth summer camp at the center is August 7th.

Parking Violations
Inoperable vehicles will be reported to the city, and letters will be mailed to the homeowners and investors.

New Business:

Trash & Recycled Cans

The City of Houston Ordinances enforced Sec.39-62(g). We mailed letters to some of the residents whose trash and recycled cans can be seen from the street. We will check the addresses to see if they are complying, 2nd notice a certified letter will be mailed.

Flood Control District Update

Pictures & complaints were emailed to Myron Jones of Precinct One concerning the retention ponds at the dead-end streets, Paddington, Oakham, Heatherbloom and Heatherbrook. There are high weeds and unkept trees. Criminals are hiding in the high weeds and shooting guns.

Concerns:

A resident stated she would like to see the board do more for the elderly homeowners in the neighborhood.

A board member asked if we could cut a resident's lawn?

Comments:

The board made a statement about starting projects for residents and not continuing for other residents. We will search for organizations that could assist elderly residents in projects for their homestead.
